Phone   : RO: 0040783067352   Satu Mare
              UK: 00447403664446   Romania

PERSONAL STATEMENT

I've started to develop more skills on Javascript, React, Nodejs, and frontend HTML, CSS, SASS, and frameworks like Bootstrap, React-Bootstrap, as I see big potential into these technologies and because I love web programing, I'm reliable, punctual person and would love so much working in a programming environment in your company, I would definitely do my best to be the person you expect. Please check my personal portfolio at: http://lucutovidiu.herokuapp.com
